2025 Kansas Dog Project Award Winner

Danielle Reeves is a 9-year member of the Valley Victors 4-H Club in Jefferson County/Meadowlark District. She is the daughter of Randal and Toni Reeves and lives on a farm outside of Valley Falls. In her years of 4-H she has enjoyed numerous projects including: beef, horse, sheep, goats, crafts, photography, foods and of course dog! When she joined as a clover bud all she could talk about was joining the dog project. She has watched the shows her whole life and couldn't wait to jump in.

She is a certified volunteer at the Jefferson County Humane Shelter and has enjoyed collecting supplies and visiting the shelter to exercise the dogs there.

Danielle loves being a Jr. Leader in the project and attended the dog judge training this past spring. With the knowledge that she gained she was able to help with all four disciplines this summer when their normal trainers were gone. She created a Dog Show Bingo card that she hands out during check-in at the fair. This encourages members to get to know each other and to have some fun and win useful prizes for their dogs.

While she loves the 4-H dog show rings, she also loves to hunt with dogs and has picked up on hunting coyotes and racoons with her father. So, in addition to her corgi Sofia, Maggie the schnauzer and the family's wolfhound Wolfie, they have several coon hounds and coyote hounds too. It's safe to say the dog project is a huge part of Danielle's life.

Neuway 4-H Dog Scholarship

Chris Mork has been a member of the Sedgwick County 4-H Dog Project since 2012. He is the son of Jeff and Lynn Mork of Wichita. What began as a young 4-H member learning to show his own dog grew into one of the most meaningful parts of his 4-H career. Chris has competed in dog shows across Kansas, earning numerous championships. He was a member of the Kansas State 4-H Dog Bowl championship teams in 2019 and 2021 and was named the State 4-H Dog Project winner in 2023. As Chris grew, his focus expanded from his own accomplishments to helping younger 4-H members succeed. He has assisted with weekly dog and monthly agility practices, teaching younger members to train, handle, groom, and build relationships with their dogs. He has also helped with county dog shows, fundraising at the AKC Sunflower Cluster Dog Show, and countless other activities supporting the project. Since 2020, Chris has served on the Kansas 4-H Dog Action Team, helping conduct statewide events including the Kansas 4-H Dog Conference and Quiz Bowl, State Fair Dog Show, and judges' training. He has presented

workshops and demonstrated advanced obedience and showmanship while helping 4-H members across Kansas develop their skills and confidence. In 2024, Chris completed the Kansas State 4-H Dog Judges and Leaders Training and became certified to judge all four Kansas 4-H dog show disciplines. He has since judged county fairs and invitational shows, allowing him to encourage a new generation of 4-H dog exhibitors. Beyond the dog project, Chris has held numerous leadership positions, served on the Kansas Geology Committee and Kansas Animal Science Program Planning Team, participated in Citizenship in Action and National 4-H Congress, and contributed hundreds of

hours of community service. His honors include the Kansas 4-H Key Award, Sedgwick County Exceptional 4-Her of the Year, Spirit of 4-H Award, and 2024–25 Kansas Geology Record Book Winner. Chris plans to pursue a degree in atmospheric science, with the goal of using science to improve public safety, water resources, and agriculture. The patience, responsibility, perseverance, leadership, and service he learned through the 4-H Dog Project will continue to influence him throughout his life. Chris is honored and grateful to receive the Kansas 4-H Dog Scholarship and especially thanks Mr. Neuway, his leaders, volunteers, fellow 4-H members, and, most of all, his best friend Pickles, who has made the 4-H Dog Project such an important part of his life.

Volunteer of the Year- Special Honoree

Danny McReynolds is an outstanding example of what it means to give your time, talents, and experience to 4-H and to the young people in our community.

Danny's commitment to 4-H began as a 10-year 4-H member, where he participated in the Beef, Sheep, and Buymanship (Shopping with Style) projects. His own experiences as a 4-H member clearly shaped his desire to give back. After completing his 4-H career, Danny continued serving as a community leader and project leader for many years.

Throughout his years of volunteer service, Danny has helped young people develop skills that go far beyond the project itself. He has taught Gavel Games and Parliamentary Procedure, helping 4-H members learn leadership, communication, confidence, and the importance of working together. These are skills that young people can carry with them throughout their lives.

Danny continues to be an active and dedicated volunteer with the Cloud County 4-H Dog Project. His knowledge and experience have made him an invaluable resource for both the youth and the program. He has also assisted in the development of the State Dog Judge Certification classes and now serves as an instructor for the State Dog Judge Certification class, helping educate and prepare judges and leaders who will serve 4-H Dog Projects across the state. He has served for many years as a moderator and organizer of the State Dog Conference Quiz Bowl.

Danny's commitment to the Dog Project extends even further through his service on the State Dog Project Committee. His willingness to share his knowledge, experience, and time demonstrates how deeply he cares about the success of the Dog Project and most importantly, the young people involved in it.

Danny's service also goes beyond the Dog Project. He is a Fair Board member, where he continues to give his time and experience to support the county fair and the opportunities it provides for 4-H members, families, and the community.

Danny has consistently chosen to give back and help provide opportunities for the next generation of 4-H members. He shares his knowledge freely, steps up when there is a need, and is willing to give his time to help others succeed.

Danny McReynolds represents the very best of a 4-H volunteer. His commitment, knowledge, leadership, and willingness to serve have made a lasting difference in the lives of countless 4-H members. He has given generously his time and talents for many years, and we cannot think of someone more deserving of being the Special Honoree this year.
